Toppings & Inclusions

BoDeans offers a premium line of ice cream toppings and inclusions including: waffle pieces, cookies & crème and crunch. Our waffle pieces and cookies & crème work well as toppings on sundaes or splits and as inclusions for shakes and ice cream.

BoDeans crunch product is fantastic as a coating for ice cream bars. In addition, it can be used to make layers for ice cream cakes. We manufacture our products on state-of-the-art machinery and use only high quality ingredients. Your customers will be able to taste the quality behind every BoDeans product!
